

Invacare® Platinum® 9

reduce cost with Invacare high flow concentrator

The Invacare Platinum 9 offers providers a value added and reliable global solution to treat patients with high flow requirements. Use as a stand alone device or couple together with HomeFill® for complete patient care.

While optimising oxygen concentration, Platinum 9 minimises costs associated to maintenance and delivery. It allows patients to stay at home comfortably and safely thanks to a series of integrated alarms. Users will appreciate its simplicity of use combined with maximum security.

Invacare® Platinum® 9

High performance and reliability combined with simplicity

Powerful and reliable, Invacare Platinum 9 is also user friendly. With its 9 litre oxygen capacity and 96-87% purity, Platinum 9 is dedicated to patients with high oxygen needs.

Easy to manoeuvre thanks to its integrated handle and casters, Platinum 9 is also easy to use and guarantees extra safety for its user.

Value added associated to cost control

Cost linked to inventory is kept to a minimum thanks to the small number of spare parts and specific accessories. With no maintenance for three years, Invacare offers you the best value added concentrator.
